

On Sunday 6<sup>th</sup> March, Mundeford Wood, Community Centre, hosted a Coach Education Day led by Paul Whiting.

Local coaches spent the day covering three continual professional development (CPD) modules which were, Back to Basic's, Talent ID and multiball. The day was a mix of classroom and practical activities.

The day also provided a wonderful opportunity for four new coaches, Osacr Harker, Andrew Daish, Lloyd White and Sibyl Bartlett to practice their practical sessions before the second day of their UKCC Level 1 course in Calne next Sunday.

As always, many thanks to Paul Whiting for his enthusiasm and inspiration!
