

## Bournemouth Invitation Cadet Tournament Sunday 15<sup>th</sup> May 2011

This year Waterside TTC, Totton, again kindly hosted the Bournemouth Cadet Invitation Tournament. Over 50 enthusiastic young players from around the South arrived promptly at 9:15am prepared for a great day of table tennis.

With the growing number of girls this year, both a boys and girls tournament took place. In the boy's section, players were split into beginners (The Tyro Competition) and intermediates (Main Competition). Each player was assigned into a group of four, with the top two players going through in the main competition – the third and fourth place into the plate competition. A knock out system was then operated. In the girls tournament a round robin tournament was organised.

Sheena Feltham, tournament organiser, was delighted with how the day went and commented, "It is great to see the standard of table tennis going up each year – and more and more players from Bournemouth!"

Final Results are as follows:-

### **Tyro Event**

Winner: Louis Coppard

Runner –Up: Andre Coppard

### **Tyro Consolation**
