

This week-end was the long awaited final for 10 coaches from around the South West to complete their Level 2 examinations.

The 10 candidates worked hard for the last two months completing modules in :

Technique, Physiology, Psychology, Performance Analysis and Planning. All of their hard work paid off as they all competently passed.

We are very lucky to have in our area such confident, motivated coaches who all work very well together, dedicating time and effort to promote the sport in clubs and schools.

Congratulations to :

Stephen Foster, Jo Kuzu, James Lewis, Michael Robertson, David Hughes, Sam Brown, Tom Browne, Mark Semple, Mike Naylor and Ian Shapey.
