

BOURNEMOUTH & DISTRICT TABLE TENNIS ASSOCIATION

INDIVIDUAL CHAMPIONSHIPS – 2008/2009

FINALS NIGHT (Friday 27th February 2009) - RESULTS

An evening of some very fine table tennis culminated in a spectacular match between Mark Butler (Merton) and James Whitehorn (Bmth Sports) as James mounted his defence of the Premier title. James had already seen off Louie-La (Bmth Sports) in defence of his Bmth Closed title and got off to a good start in the Premier by winning the first end against Mark 11-9. It was then nip and tuck as Mark won the second end, James took the third, then Mark took the fourth to set up a scintillating decider. Mark was leading 10-6 but James pegged it back to deuce but eventually lost 11-13 in some breath-taking exchanges to see the title slip from his grasp.

Competing with James for the title of busiest player of the evening, nine-year-old Hugo Pang from Bmth Sports also took part in four finals and won two of them. He beat Rebecca Kuzu (Bmth Sports) for the Junior Under-13, but then lost to Saul Harris (Bmth Sports) in the Junior Under-15. Undaunted, he defeated his team mate Lewis Proudley for the Div 4 title but then went on to lose to Max De Kment (Winton YMCA) in the Bmth Handicap final. At only nine, Hugo is definitely one to watch for the future.

The full results listing appears below:-
